Dr. Philip Clifford

*Philip Clifford is Associate Dean for Research in the College of Applied Health Sciences at the University of Illinois at Chicago and Director of Mentoring and Professional Development for the UIC Center for Clinical and Translational Science. He is known as a champion for career and professional development for early career researchers through his involvement in professional organizations including the National Postdoctoral Association, the Association of American Medical Colleges, the Federation of Societies for Experimental Biology, and the National Research Mentoring Network. He is a coauthor of the widely acclaimed career website, [myIDP.sciencecareers.org](http://myIDP.sciencecareers.org), and was honored with the NPA Distinguished Service Award in 2012 and the AAMC's Innovative Institutional Partnerships Award in 2013.*

Sponsored by  
Texas A&M University Postdoctoral Association &  
Texas A&M Health Science Center Office of Postdoctoral Affairs
